

Dear Friend

We at The Marina Shul, have begun working on our unique, annual Jewish calendar, one of its kind in Marina del Rey and Venice. The calendar is multifaceted, replete with detailed information about upcoming holidays, educational messages, local Shabbat and Holiday candle lighting times, and recipes for traditional foods. The date boxes, including both Hebrew and secular dates, are quite practical with ample room for recording family appointments. The calendar will also include some of Marina Shul's much anticipated events and programs.

We are currently offering you the opportunity to personalize the calendar with your greetings, your family's birthdays and loved ones' Yahrzeits. The calendar will

feature space for New Year greetings, Yahrzeits, birthdays and anniversaries printed on the date of the occasion.

The Marina Shul calendar is also a good investment for your advertising dollars. Potential customers will view our colorful and informative Jewish Calendar the whole year round, thus providing maximum return for your dollar. It will be displayed in homes and offices throughout the community; thus insuring optimum visibility for your products or services.

We will be mailing copies of the calendar free of charge, which will be viewed by several thousand people throughout the community. Above each month's page, we've reserved an eye-catching space to advertise your business or to place your family's special occasions, i.e. Bar/Bat Mitzvah, weddings, Yahrzeits, etc.

Please fill out the form on the next page and send it with your check TODAY! You may add additional pages if necessary.
