Dear Friend,

The calendar year is rapidly coming to a close and as you begin your end of the year charitable giving, I would like to take a moment of your time to tell you about The Marina Shul and its vital community work.

Through our imaginative programs and projects, the Marina Shul is bringing new vitality to Jews and Judaism in our community. Through our Adult Education Classes, our Holiday Programs, counseling services, or just helping those in need in our community, the center is here as a community resource for everyone, regardless of his/her background, affiliation, or level of observance.

As we rapidly approach the end of the 2007 tax year, we would like to ask you to please consider a final year-end tax-deductible donation to The Marina Shul. Our Sages teach us that those who help others are repaid tenfold. May G-D bless you, in the Merit of your kindness, that this coming year be one of great success both materially and spiritually.

We only have our community to look to for support. Every penny we receive\* comes from people in this community... from kind souls like yours. Please take this moment to send your contribution... whatever you can spare... to the address above.

Thank You and may G-D Bless you.
